Mr. Keiser explained that this was not a pressing matter, and thanked us for getting in touch with him. [] DDI; [] have been apprised of this request. Mr. Gehrig indicated a continuing interest in this if we should have any information for him.

25X1 3. [] Senator Jackson's office called to ask for a number for []. I advised that [] was not in town but gave the Senator's office a location in Washington State where he could be reached.
